PC:

By this petition the petitioner seeks a direction to the respondents to apoint the petitioner as it is necessary to do so as per the directions issued by this Court earlier.

2. This Court had directed examination of the appointment of present respondent No.4 and to find out whether it is regular or irregular and illegal. Accordingly a Committee was formed and that Committee has

concluded that the appointment of respondent No.4 herein was illegal and further recommended appointment of the petitioner. Direction is therefore sought to implement this recommendation of the enquiry committee.

3. The legal position in this regard is well settled. The right conferred by Article 16 relates to consideration for appointment to a public employment. Such consideration is given to the petitioner. There is no vested right to appointment. Hence there is no reason to interfere. Hence petition dismissed.
